18<sup>th</sup> October 2017

Dear Parents

We are planning to have an Eco Committee with two children from each Key Stage One class to help us all to improve the environment of the school and community. The committee will meet regularly to discuss ideas.

All children will be included as 'Eco Warriors' by helping to keep our classrooms tidy, recycle where we can, switch off lights, turn off taps and collect the fruit waste to be put into compost bins rather than the general rubbish.

If your child would like to join the Eco Committee, please get them to fill in the application form below and return to your child's teacher by Friday 3<sup>rd</sup> November.

Kind regards

K Bond  
Class Teacher
