FEDERATION NEWS Friday 9th November 2018

6B NEWS

6B went to Hobart High School on Tuesday 6th November to participate in a mathematics code breaking activity. The Year 6s were also joined by year 6 pupils from a range of other schools. Year 10's from Hobart hosted the session which was brilliant as it gave the year 6s an opportunity to see, question and talk to students currently at Hobart High School.

6B enjoyed the activities and showed a sensible and mature attitude throughout the whole session.

CHILDREN IN NEED

Friday 16th November is Children in Need day. Children are welcome to come into school in non-uniform and make a donation. Donation pots will be in the classrooms.

WORRY STOP

Does your child get angry? Does your child worry? Do their worries impact on their school and home? Worry Stop provides information and advice for parents/carers on how you can support your child along with a cup of tea and time to chat with professionals in a friendly and relaxed atmosphere.

Loddon Library on Thursday 29th November 9:30-11:30am. To book your place text or call Sally on 07825 356826 or email psa@alpington.norfolk.sch.uk
Please do not bring your children.

SEND PARTNERSHIP NEWS

The SEND Partnership News is now available in either school office if people would like a copy.

JUNIOR CHOIR

Please note there is no choir at the Junior site next Wednesday 14th November.

MISSING SCOOTER

Has anyone accidentally taken a 3 wheeled Green and Black Scooter from the Infant Site playground. One has gone missing. Thank you.

MARINA THEATRE LOWESTOFT

Year 5/6 trip to Marina Theatre at Lowestoft: We got to see the authors Guo Yue and Clare Farrow of a book called Little Leap forward. The story was based on Guo Yue's childhood in China, his best friend Little

Little and his beloved bird Little Cloud. We got to hear his bamboo flute music that he practised when he was little. We thanked them for letting us know about the book and everything we learnt. By Phoebe and Tia.

VISIT FROM ALADDIN - BEN LANGLEY

On Tuesday at the Juniors and Wednesday at the Infants we had a visit from Ben Langley who is Wishee-Washy at the Norwich Theatre Royal Pantomime this year. Mr Graveling has organised tickets to take a trip on Monday 7th January. Letters have come home so book in early if you'd like to come. This is for children and parents across the Federation at the Infants and Juniors.

REMEMBRANCE

We have all been working on some Poppy Wreaths to join in the Remembrance Event being celebrated at Holy Trinity this weekend. We decorated the Wreaths and the names of soldiers who died in the First World War have been added. They are on display in the Church. Juniors also visited the church on Thursday.

CLUSTER CROSS COUNTRY

On Friday 12th October we took 46 children to the Hobart Cluster Cross Country Competition at Langley. The windy conditions added an extra element of challenge for the competitors. Despite this, all the children were amazing. Every one tried their best, no body gave up and some even did it with a smile on their face! One highlight of the day had to be Dexter overtaking the high school pacemaker, finishing in 1st place with ease! A sporting hero in the making! We came away with several top ten finishes, 3 medals and bags of pride.

CROMER TRIP ON 12TH OCTOBER

Before half-term the Years 3/4s had a brilliant day trip to Cromer. We visited Cromer museum for a session on fossils during which the children got to handle lots of great fossils. We then had a wander around Cromer and visited the excellent Henry Blogg Museum, saw the new lifeboat and had lunch in the sunshine. We finished the day by hunting for fossils on Cromer Beach with a local archaeologist. We found an incredible amount including echinoids, belemnites and fossilised wood. What a wonderful day!

YR5 TRIP TO PAKEFIELD

On Monday, year 5s went to Pakefield beach. We built mounds to track how far out the tide went whilst we were there. We also measured from the shore line to the high tide line. We learnt all about longshore drift and how that is changing our coastline and the things we can do to prevent it. The best part of the day was making sand castles and digging holes at lunch time! By Olivia and Rose.
