

**Wednesday 6<sup>th</sup> May**

Try designing your very own obstacle course to get you moving this Wednesday morning.

Watch the short video for some ideas!

There are some more obstacle ideas on the next slide!

<https://www.youtube.com/watch?v=pZ9LSlO4jGI>

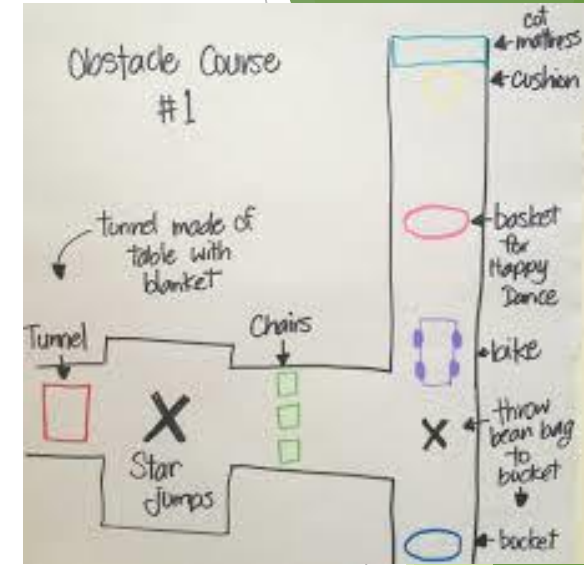

Why not time yourselves! How quickly can you complete the course?

You could make it indoors or outdoors!

You could even draw it first!

Use whatever you have!

Click on the link below to hear different number nursery rhymes.

How many rhymes can you remember?

Can you show the number using your fingers?

<https://www.youtube.com/watch?v=HtNdJ6zWgZc>

Reread the story

## The Very Hungry Caterpillar.

Can you remember any foods the caterpillar ate?

What did the caterpillar eat first?

How many pears did he eat?

Why did the caterpillar have a tummy ache on Saturday?

What did the caterpillar eat on Sunday that made him feel better?

What did the caterpillar build around himself and how long did he stay inside it for?

What had the caterpillar changed into when he came out of the cocoon?

# Activity

Make The Very Hungry puppets ready to retell the story - The Very Hungry Caterpillar

You can print this!

Over the next couple of days make the egg, caterpillar, cocoon and butterfly puppet for your story.
