Activity - Alphabet Board Game

Have a go at making your very own Alphabet Board Game. It's easy!

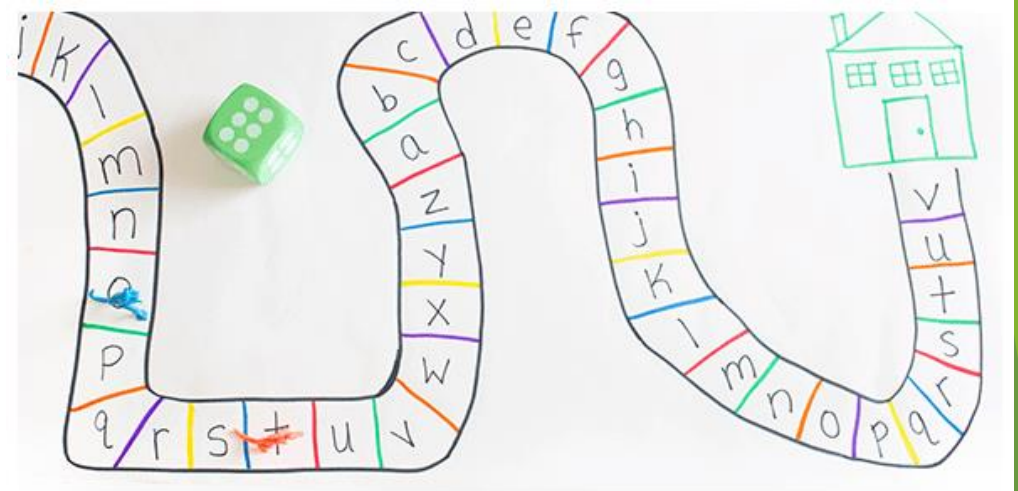

You will need:

- a piece of paper or card as the board
- coloured pens or pencils
- 1 dice

Adults could write the letters or why not have a go at tracing over some of the letters. You might even be able write some of the letters all by yourself (especially the ones in your name!)

You can use anything you like as counters;

Dinosaurs, cars, Lego people or even have a go at drawing your own characters!
