

Monday 8<sup>th</sup> June

# Hopscotch

Make your very own action hopscotch.  
Think of fun things you can include, you  
could even add amounts too!

Twirl 3 times  
Touch your toes 5 times  
Jump 2 times

How many 2D shapes do you know?

Click on the image to download this 2D game.

# Shape Hunt

When you go for a walk or whilst playing in your home or garden, see if you can spot any 2D shapes around you. There might be some hiding in the packaging in your food cupboard or in your bedroom. You might spot some on the side of houses or on cars.

Have a go at drawing some of the shapes you see or even take photographs.

How many different shapes will you spot?  
Can you make a picture using shapes?
