Dear Parents / Carers

We have welcomed back some of our Year 6 children today; they have settled well back into their classrooms and it's lovely to see them in school again. We will do everything we can to support social distancing in school, and maintaining good hygiene habits, although cannot guarantee separation all the time.

We are now looking to opening up to Yr N, Yr R and Yr 1 from Monday 15 June. Again, we will do our best to support social distancing and personal hygiene but, again, cannot guarantee the children will stay apart all day.

Our principle is that the children will be in their classroom, with staff that they know, which we feel is the best way to settle them back into school. This means that children will begin with 1 day a week.

- Key worker children will be separate to class bubbles (due to the numbers of children wanting to return). Key worker children will NOT be able to also go into their classroom.
  - Children will need to bring their packed lunch, water and snack for the day.
  - Children will have their work station in the classroom, where they will keep all their 'stuff' (lunch, coats, bags, pencil case etc).
  - The school will be cleaned daily, and contact points during the day, to ensure the school is as clean as possible
  - Doors and windows will be open as much as possible to ensure good ventilation
  - Learning will be outside as much as possible
  - Children will be expected to stay seated unless otherwise instructed. If children are finding the new way challenging or are not following the expectation, parents will be called to collect their child/ren.
- A Re-opening handbook and a booklet about coming back to school have been sent via ParentHub.

The staff available to welcome the children will be:

RE – Miss Ellis & Mrs White  
RC – Mrs Morgan & Sam (with Nursery)  
1S – Mrs Smith / Mrs Bond & Carol  
1EY – Mrs Harris & Debbie

If you have a Year N, Year R or Year 1 child, please could you let [officeinf@loddonprimaryfederation.co.uk](mailto:officeinf@loddonprimaryfederation.co.uk) know of your intentions by Wednesday 10 June for either a Monday or a Thursday preference. We will then let parents know which day for your child to return next week on Thurs 11 June. The day will be the same each week. I have uploaded a short video onto the year group home learning page so that you can see how the classrooms will look to help you make your decision.

***We will not add children in during the first 3 weeks, once we have set the bubbles up.***

With Best Wishes
