FEDERATION NEWS Friday 2nd October 2020

5/6CR NEWS

5/6Cr have made an incredible start to the year. They hit the ground running and haven't stopped! Last week everybody worked their socks off to produce some incredible 'colour' poems. We shared them in assembly and I was so proud of how beautifully they stood up and read them. In science we have been investigating forces. We have designed and tested various parachutes, investigated levers and constructed different pulley systems. In topic we have been looking at ancient Maya civilisation. We are currently in the process of designing and making Mayan masks. I can't wait to see how they turn out.
Keep up the hard work 5/6. You've been amazing so far.

We are arranging a new way of holding Parents Evenings for dates 19th - 22nd October. Information on how to make appointments either via a zoom meeting, telephone call or written comment will come out next week through Class Dojo or ParentHub.
