## FEDERATION NEWS Friday 25th March 2021

Happy Easter!

Thank you for your support in settling the children back into the school routines. It has gone very smoothly from our point of view (obviously a few issues that we have had to pick up and deal with along the way).

We have an Training Day on the first day back after Easter (Mon 12 Apr), and the children return on Tues 13 April. My plan is to continue as we are after Easter for the first week. We will then reassess during the first week. Options that we will look at are starting 'bubble' assemblies, increasing bubble sizes, and stopping staggered starts as we move back to 'normal' school. These will not all start at the same time! My hope is that I will be able to reduce some measures from Mon 19 April, and reduce further from after half-term (Mon 7 June). I will certainly keep you posted!

I hope you have a lovely relaxing Easter break, and fingers crossed that the proposed changes on March 29 go ahead and we can start to meet in socially distanced groups of 6, or 2 households.

Take care and stay safe  
Richard

### SCHOOL LUNCHES

Please book all school lunches by midnight on 8th April. When we return we will be on week 1. There is no change to the menu for the summer term.

### COMIC RELIEF

Thank you to everyone who donated to comic relief. We raised a total of £340.43

### NEW SCHOOL NUMBER

The school phone number is now 01508 505180. This will take you through to both sites.

### PASTORAL SUPPORT

Congratulations to Mrs Jackson who will work alongside Mrs Sadler as the new Pastoral Support Worker. She will work across both sites, starting after Easter.

### REMINDER

Please can you ensure you leave the playground promptly after school and do not let siblings play on the pirate ship. This is to ensure the safety of all children. Thank you.

### YEAR 1 SPRING WALK

Year 1 had a lovely walk around the school yesterday looking for all the signs of spring. Lots of lovely flowers to smell, insects to find and signs of life in the secret garden pond.

### 5/6G NEWS

This week in 56GB we have been looking at world war 2 and creating a newspaper front page based on D-Day. The children also enjoyed doing descriptive writing about the blitz while hiding under their tables and listening to the sound of bombing and an air raid siren. In science we had a wonderful lesson outside on Tuesday, where we mixed hot milk with white vinegar in order to create plastic. It was great fun, although very smelly, hence the need to take all the tables outside.

### HEADLICE

We have had cases in school over the last week or two. Please use the holidays to check and treat your children if necessary. There is no need to buy expensive treatments, as you can use conditioner and combing. Please see the website below for further information

<http://www.nhs.uk/conditions/Head-lice/Pages/Introduction.aspx>

### DAYLIGHT SAVING TIME

Don't forget that clocks go forward this weekend.
