## FEDERATION NEWS Friday 24th September 2021

### POKEMON CARDS

As much as I love to see children enthused about Pokemon Cards and playing with them, they are also a source of much falling out. I will speak to the children today in assembly about not swapping, and enjoying the cards. If the level of argument continues, then I will then ask for the cards to stay at home. It would be lovely to try and teach the children to play with them, and not swap, as there are some lovely games being played.

### HARVEST FESTIVAL

Instead of asking for food donations in school this year, I have decided on a non-uniform day with a voluntary contribution, and the proceeds will be donated to FoodBank. The non-uniform day will be Friday 1 October.

### PARENTS EVENING

Our parents evenings are scheduled for Tues 19 and Wed 20 Oct. I'm am going through various scenarios at the moment as to how this could look. I'm very conscious that face-to-face is so much more personal than via zoom, but I also don't want to create a super-spreading event.

### 3J NEWS

Hello Everyone! We have had lots of fun in 3J! Here are a few highlights...

Topic - We are enjoying learning about The Vikings and we have even looked at Norse Mythology in Literacy, too!  
Literacy - We got to know each other by writing Autobiographies. It was fantastic learn about the children's lives.

Maths - Place value non-stop! We have been looking at 2 and 3 digit numbers and how to represent them in different ways, including money!

PE - The children are LOVING basketball - I apologise as I know lots of them have asked for a basketball for Christmas!

We have also been reading lots in and out of the school library. The children are enjoying The Butterfly Lion book thoroughly. We are getting more independent each week, having a big emphasis on our presentation and are getting quicker at writing the learning objectives and date with pens in our books!

### CAR PARK

Please do not park in the staff car parks unless you have had prior permission from the school. Thank you

### MUSIC LESSONS

Music Lessons are now full with Mrs Smith. Mrs Cork does still have some spaces and Mr Goodall will be resuming guitar after the Christmas Holidays. We'll send information about signing up for that nearer the time.

## Norfolk & Waveney Speech and Language Therapy Service

### What's new?

Norfolk & Waveney Children's SaLT transferred to Cambridgeshire Community Services on 2nd August making closer working with Health Visitors, School Nurses and other Healthy Child Programme professionals much easier.

The service is being redesigned to better meet the needs for all children and young people in Norfolk and Waveney.

Agreed service priorities for the next year are:

- Reducing the waiting times whilst carrying on with essential work
- Joining speech and language therapy with Just One Number and Just One Norfolk so there is a single place to go for all speech and language therapy enquiries
- Developing the Balanced System® Framework for all speech, language and communication needs in Norfolk & Waveney

### Priority changes

### What is The Balanced System® framework?

A new way of working in Norfolk & Waveney to support families, caregivers and professionals to develop the skills and confidence needed to support children with speech, language and communication needs. This is a long term plan, developing with your support over the coming months.

### Managing the waiting list

We are already working actively with 2400 children, families and the team around the child. There are approximately another 1500 children waiting for advice. The Speech and Language Therapy team will continue to work with children who need specialist support and are working hard to reduce waiting times.

If you are waiting for support, we will be in touch as soon as possible.
