NM NEWS

We have been having lots of fun in Nursery as we learn about autumn and the changes it brings.

We enjoyed going on a leaf hunt, collecting different coloured leaves and looking for signs of autumn. We used the leaves to make hedgehogs and made colourful leaf rubbings, which we cut out and hung under our canopy.

This week we have been investigating what's inside a pumpkin. We used spoons to scoop out the insides and used magnifying glasses to take a closer look.

We are learning a new song about pumpkins, Five Little Pumpkins. The children loved singing and dancing to it. You could find it on YouTube to continue the fun at home.

SPORT

Our year 6 football team kicked off their league campaign in great style. Impressive performances in both games gave us our first win. With spectacular strikes from Bailey, Kiarno, Oliver and Amari and excellent defensive play from Ryan, Tia and Charley, we left the competition with high hopes for the next round. A great all round team effort, not to mention fantastic support for both halves of the team. Well done!

TEATIME

GIRLS FOOTBALL

On Thursday 11th October, the Year 4 and Year 6 girls went to Goal (a football place). The year 6's played 7 matches and the year 4's played 6. We had loads of fun and all supported each other. Both teams put in a great effort and just as the year 4's had lost four matches they kept trying and succeeded greatly to win their last game. Both teams had fantastic sportsmanship and although we didn't win, we had as much fun as ever. The star of the day was Chelsea for never giving up. We even got a quote from another teacher saying 'It was a pleasure playing against your team'. It was a great day and we will certainly look forward to playing football in the future.
