Both Year 2 and Reception visited Shotford Hall Farm this week. They went on an amazing minibeasts hunt in the forest; helped to make the cows' food and milk; saw pigs, a bull, lots of grown up cows and baby calves (some of which were only 2 days old) and even had a special tour of the milking parlour! We learnt lots of amazing facts throughout, and even got to stroke some of the cows and pigs!

They went on a tractor-trailer ride to find out about how they grow wheat and barley and what foods are made from each of them. Finally they each enjoyed an ice cream made from the milk from the cows they had seen!

YEAR 6 PRODUCTION

Review from Year 1: "Wow! What a great afternoon of entertainment from the Year 6's. Fabulous drama, singing - including very confident solos, story telling, narrator, costumes and performance. Amazing English & maths included in the story: similes, alliteration, multiplication, measuring and so much more. We loved it!"

NURSERY TRIP

This week the Nursery children went on their school trip to the Play Barn. We all had a fantastic time visiting the farm animals and exploring the different activities. They loved playing in the giant sand pit and riding on the tractors and diggers. It was such fun! Thanks again to all the parent that came with us, as without your support we wouldn't have been able to take part in trips like this.

LOST PROPERT

We have a HUGE amount of lost property at both sites. Please check through this to see if anything belongs to your child. We will be getting rid of this at the end of the term. Please name all items that come into school as this makes it so much easier to return. Thank you
