FEDERATION NEWS Friday 13th December 2019

5/6G NEWS

The last few weeks have been extremely busy in 5/6G. In English we have been creating our own information page about how an animal builds its own den. The children created some incredible pieces of work for this. In topic we have been looking at the stone age and they learned all about the relevance of Stonehenge and made their own copies. In science we have been looking at light and they have started to create their own puppet shows.

GOODBYE AND GOOD LUCK

Sadly, next week we say farewell to Mrs Roll who has worked at the Junior School for 13 years. As well as being a teaching assistant she was our 'go-to' person for backdrops and props for our Year 6 Summer and the Christmas Productions. We wish you well Shirley.
