6G NEWS

6G have had an amazing time this term and a wonderful trip to Kingswood! We have been conquering our fears, exploring our limits and having the best time ever! As soon as we got there, we had a superb picnic. After that, we walked down to the beach and went paddling, fossil-finding and rock-pool-searching. We had lots of fun on the activities including leap of faith, zipwire and caving. We also had delicious meals with our friends and thrilling games altogether such as bottle rockets and a scavenger hunt. We had tears of laughter during nightline and screams of joy as we drove around in the side by side! The people who didn't come had just as much fun as the others who did go had as they made some scrumptious pizzas and helped out with the year 3's! All in all, we have had a wonderful couple of weeks!

By Ella and Katie

CHANGE OF CLOTHES AT LUNCHTIMES

As the next few months will be cold and muddy children can bring in joggers to change into at lunchtime so they can keep warm and don't get their uniforms dirty.

CHILDREN IN NEED

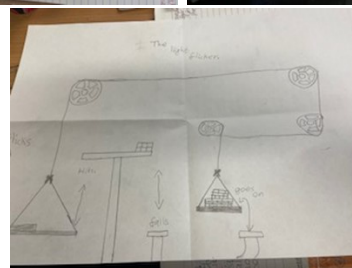

Thank you for all your donations for Children in Need we raised a total of £372.18

LATE ATTENDANCE

Just a reminder that school starts at 8:45am at the Infants and 8:55am at the Juniors. If your child is running late in the morning we would appreciate it if you could do so the school to let us know. When your child is late they miss out on vital school work as generally this is when the children do their phonics sessions. In the Infant Site all the children in the school move to their phonics groups at 9am, if your child arrives late they have missed out on the ground work for that lesson, so will miss that days sounds/words, consequently they will struggle when it comes to the writing part of the session. Also late arrivals are very disrupting for the other children in the class. We do understand that sometimes being late cannot be helped but this is becoming an increasing problem.

'MARVELLOUS MECHANISM'

5V have been making designs for a 'Marvellous Mechanism' which included a lever, a gear and a pulley.

FLU VACCINATION CATCH UP DATE

If your Junior Site child was not in school on Tuesday and missed the Flu Vaccination, they are coming again on Friday 10th December so can be done then.

The Infant Site have had their catch up session on Tuesday. So if your child missed this they should have brought a letter home, this will tell you who to contact to arrange the flu vaccine.

CHRISTMAS CARDS

The Friends raised a total of £483 from the sales of the Christmas Cards/Tags/Mugs etc. Thank you for all your purchases.

GIRLS FOOTBALL FROM GOALS

On Tuesday, Miss Crowson, Mrs Hill and Miss Jones took 32 Year 3,4 and 6 girls to a football 5-aside tournament at Goals. What a fantastic time they had!

YEAR 6

Two teams of year 6 girls confidently took on their competition with fierce passion and team work. We started off with a hat trick from Willow to secure a win for the Loddon Stars. The other team, Loddon Stripes, worked fantastically as a team; brilliant passes from Clara and Arianna, some impressive saves from Ella, outstanding defending from Chloe and two superb goals from Poppy ensured that great fun was had by all.

Loddon stars remained undefeated throughout the tournament and thanks to a brilliant strike from Evie and fantastic defending from Tyleigh managed an impressive 3rd place over all.

YEAR 3/4

The girls were made up of two teams, mixed Years 3 and 4; The Loddon Tigers and The Loddon Panthers. They played three matches against 5 other schools, and neither team lost a match! Not only did we play so well but the team work, determination and smiles were clear to see throughout! Both teams came first in round one and then did amazingly well in round two. In the third and final round, the Panthers and Tigers ended up playing against each other and it was a 2-2 draw! As a result, the Panthers came fourth overall and the Tigers came first and ended up with medals!

All staff members were so impressed with not only the girls' football skills, but how they conducted themselves, encouraged each other, worked together and cheered for other schools. They had a fantastic day and saying that we are proud would be an understatement.

ADVENT TRAIL

Look out for the Village Advent Trail starting on Wednesday. Classes have been decorating Christmas Puddings - can you spot them at lots of different places

3J CLASS ASSEMBLY

Last week 3J had their class assembly. Here they are:

READ WRITE INC

We have spent a large amount of money on the new Read Write Inc reading system which was put into place within the Infant school a few weeks ago. We have seen a huge improvement in the children's phonic abilities already which is very pleasing. Please can you make sure these books are returned to school each day and looked after when they come home as we have already had some books returned which have been water damaged or torn. Thank you

LODDON + CHEDGRAVE
